

Beacon Health Options will become Carelon Behavioral Health

Introduction – what is happening

For all non-Medicare members enrolled in the Operating Engineers Health & Welfare Fund's PPO plan, please note on **March 1, 2023**, Beacon Health Options (Beacon) will change its name to Carelon Behavioral Health.

How will this affect you?

You and your health are our top priority. The name change will not impact your plan or services for behavioral health and employee assistance programs.

- You do not need to take any action.
- Your benefits and plan will not change.
- You can see all of your previous doctors and health professionals.
- All phone numbers, emails, websites, and apps will redirect you to the right place.

Why the change?

By joining the Carelon brand, Beacon is able to expand its reach and its network. This helps them deliver services to meet all of your health needs.

Carelon Behavioral Health is here for you.

Carelon Behavioral Health is committed to connecting you to the care you need. Please continue to reach out with questions or concerns.

If you have questions, please contact the Member Services Department at (866) 400-5200.
